Re: Request for funding – Receptionist Academy

Dear Ms. Van Eperen:

Thank you for the opportunity to review your Grant Application to Costco Wholesale. After careful consideration, we regret that Costco Wholesale will not be providing funds for your program.

Please be assured our decision is based on the need to allocate our limited resources among many charitable organizations. We wish we could support every deserving organization, however the needs are far greater than our resources.

We wish you success with your program and fundraising efforts.

Sincerely,

Tommy Fowler
